Dear Agondonte —
Bodens, McKellys, et al.:

Here's a bit of postage
money. We do appreciate
getting the Agondonte.

Your Christmas party reminds
me of dramatizations by the Okla.
City group, one I know of, about
Adamson + Ratta done in costume
with more or less versified conversation.
I heard the tape + saw snapshots.

Hope your funder got aloft
uninjured. Any transition would be
bewildered enough without greeter
tricks! And I can imagine the
women's corps facing utterly
ludicrous situations.

Congratulations on your
bringing new life to Soledad
in-mates.

Sincerely,

Ruth Burton
(and Robert)
