Dear Agondoniter,

We are writing to let you know that we've moved recently. And also, to tell you that our love and our good wishes go with you all. I trust that the issue of the Agondoniter just after the conference will be full of the "spirit" that abides at the conference. Diane and I can't make the conference this year so the Agondoniter will have to serve as our "midwayer".

Our new address:

Bill Frey and Diane Hartman
3915 Xavier Street
Denver, Colorado
80212

Life is decisions, decisions, and more decisions based on sincerity, sincerity and more sincerity.

Sincerely

Rev. William Frey
