Dear Jim and Sue,
I love this picture
of the two of you and
want to get it
enlarged.

If you find a good
time to go have one
wreath meeting with
Gus Walstrom I will
pay the gas and oil. I
had promised to do
this and must fulfill
it fairly soon.

I also am going to
Reveride this month as
they have a great young
group going there.

Much love to both.
