To Whom It May Concern:

I recently attended the Spring Regional Conference on Saturday, May 13th, it was a beautiful experience. While there, I talked to Mrs. Helena Sprague about obtaining copies or reproductions of An Artist's Conception of the Master Universe; after noticing on the bulletin board (which she set-up) a poster of The Master Universe, lovingly photographed by Bill Sherwood.

Therefore I am writing to ask you if it is at all possible to obtain these copies of An Artist's Conception of the Master Universe, they are (as you know): copies of Photographs of 1. Paradise, 2. The Central Universe, 3. The Grand Universe and 4. The Master Universe by Bill Sherwood.

Please let me know what the cost would be for these repres I mentioned above. I been wanting copies of the above for the longest time. I even wrote to the Urantia Brotherhood in Chicago and Mr. John Hales told me they were out of them at the present. You see I want these for framing and placing them on my living room wall.

I've been a reader of the Urantia Book, since December 1973, and am presently trying to start a study group in New Haven. There is the Clinton Study Group hosted by my dear friend Mr. Nick Scalzo. He is the individual who made me aware of the Urantia Book, knowing that I was seeking the truth.

Thank you for your time in the handling of my letter...I remain...

Warmest regards,
