Therefore, we ask that those of you who wish to contribute to our "snack-time" period please bring the following types of "finger-foods": sandwiches, chips & dips, fruit, cakes, cookies, coffee, etc. If you wish to help please call Bob Hudspeth, Hospitality Chairman, at 714-521-1400.

NOTE: The Education Committee desires to hear from those people who have outlines of talks, panels, or programs based on material from The URANTIA Book. The Committee would like to hear from individuals who are preparing materials not yet completed that might be used for programs in the future. The intention is build up a file of potential speakers and leaders in order to have a backlog of program possibilities. The Committee is interested in all topics drawn primarily from URANTIA Book teachings and will review everything submitted with careful consideration. Send the outlines to Polly Friedman, Education Chairman, at 5845 Greenview Rd, Calabasas, CA 91302.

We remind you that the views presented by our speakers at the Monthly Meetings are their own and are not necessarily those of FUSLA or any other URANTIA organization. We are not in the business of establishing dogmas, creed, or rituals.
