Dear Staff,

In the spring 1978 issue of the  
Agondontes p. 2. under Bay  
Current it was mentioned that Sara  
Blackstock led a discussion on parenting.  
Because our Pueblo Study Group will be  
leading a discussion on "How to teach  
Ethics & Religion to Children," at the Aug  
Late Geneva Conference, we wondered  
if this <sup>discussion</sup> <sup>might</sup> <sup>be</sup> of value to us.

How might we get in touch with  
Sara or what might you suggest?

Also p. 3 under FUSKA Member gets  
Hawaiian welcome - Beverly Dull  
mentioned "Study Aids for Children"  
compiled by Ruth Tigue - How could

are read either of these two people?

I certainly appreciate your help  
with this.

Thank you!

To Whom It May Concern:

I recently attended the Spring Regional Conference on Saturday, May 13th, it was a beautiful experience. While there, I talked to Mrs. Helena Sprague about obtaining copies or reproductions of An Artist's Conception of the Master Universe; after noticing on the bulletin board (which she set-up) a poster of The Master Universe, lovingly photographed by Bill Sherwood.

Therefore I am writing to ask you if it is at all possible to obtain these copies of An Artist's Conception of the Master Universe, they are (as you know): copies of Photographs of 1. Paradise, 2. The Central Universe, 3. The Grand Universe and 4. The Master Universe by Bill Sherwood.

Please let me know what the cost would be for these repres I mentioned above. I been wanting copies of the above for the longest time. I even wrote to the Urantia Brotherhood in Chicago and Mr. John Hales told me they were out of them at the present. You see I want these for framing and placing them on my living room wall.

I've been a reader of the Urantia Book, since December 1973, and am presently trying to start a study group in New Haven. There is the Clinton Study Group hosted by my dear friend Mr. Nick Sealzo. He is the individual who made me aware of the Urantia Book, knowing that I was seeking the truth.

Thank you for your time in the handling of my letter...I remain...

Warmest regards,
