Dear Henry,

Some time ago you wrote me a letter, as editor of the Agondonter, expressing your concern that our newsletter might become regarded as an official publication of the Brotherhood.

Although I did not answer at the time, I want you to know that I appreciate your letter and your ideas, and that, in fact, we have since endeavored to ensure that the Agondonter would remain identifiable as a Society newsletter.

We have done this through inclusion of specific statements, emphasis on Western U.S. news, and FUSA activities.

Nevertheless, the Uranthi "Family" is very global in its interconnections, and a certain breadth of scope is inevitable, even in a local publication.

I enjoyed your comments at the Publications Committee seminar in Lake Geneva (I was sitting next to you,) and look forward to times in the future when we may have more time to get to know one another and discuss matters of concern to the URANTIA Revelation.

Enclosed are copies of recent issues of the Agondonter. Would be interested in your comments — at your leisure of course!

Yours in service,  
Charles Montgomery
