FIRST URANTIA SOCIETY OF LOS ANGELES

PRESIDENT'S MESSAGE

Dear Brothers and Sisters:

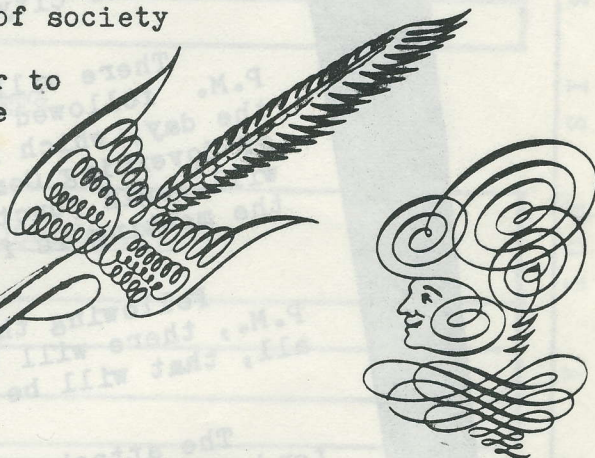

I would like to express my sincere thanks and appreciation for your support and confidence during my past two years as F.U.S.L.A. President.

During this time I have grown in many ways to numerous to mention. I come away from my experience with complete faith in the working of group wisdom in the resolution of society problems.

For energetic F.U.S.L.A. members eager to serve, I can think of no greater experience than to seek service in the committee and governing activities of your Society.

I look forward to continued service and fellowship in this wonderful group of God knowing men and women called First URANTIA Society of Los Angeles.

Kenneth Anson
