Dear Whoever:

Enclosed is a check for \$5.00 for
a subscription to the Agondonter.
Please mail the subscription to

I have a question - Is there
(or are there) any churches which
have altered their ministry to
coincide with the URANTIA teachings?
My fiancé and I would like to
attend a church regularly and have
found that Christian churches simply
do not fulfill our needs. Any help
in this direction would be dearly
appreciated. Thanks very much.

Yours very truly -

Dear Miss Overbey:

Since we are involved with the fraternal and social aspects of the URANTIA movement your letter to the Foundation, dated October 10, has been given to us for reply.

The address we have for the Agondonter is Box 563, Los Angeles, CA 90053. The editor is Charles Montgomery and we are sending a copy of this letter and yours to his home address so he can straighten it out and cash or return your check.

There is a study group in San Diego and we suggest that you contact Richard F. Prince, 1655 Los Altos Road, San Diego, CA 92109. He will know when and where the group meets and we are sure they will be glad to welcome you when you are in that area.

We do not know of any church in your area where the pastor is using URANTIA teachings. However, we are sending a copy of this letter to Mrs. Julia Fenderson, who may know of someone. One of our members, Vern B. Grimsley, who lives in Berkeley, CA has performed a number of marriage ceremonies with a very beautiful service. Mrs. Fenderson can tell you about that, too. Her address: 9980 Farragut Dr., Culver City, 90230

We are happy to hear of the great impact the teachings have made upon your life and we wish you and your fiance all the best in your future life.

Sincerely,

(Miss) Marian Rowley

To whoever:

I recently wrote to the First URANTIA Society of Los Angeles to inquire about their publication, the AGONDONTER, and sent them a \$5.00 to cover the cost of mailing and a subscription. Apparently, I had the wrong address. After waiting for a reply for quite some time, I called the post office and found the address I had (a post office box) was in the name of an individual and did not belong to the First URANTIA Society. So far, the check I sent has not been cashed and I do not know if my letter was forwarded or not.

I would like to know if you have a current address for the First URANTIA Society of Los Angeles where I can reach them. Also, is there an organization in the San Diego, California, area that I might be able to contact? In addition to all of this, I am trying to locate some type of church to attend where the minister has perhaps altered his teachings to coincide with the teachings of the URANTIA papers. If you can assist me in this search, I would dearly appreciate it.

Being introduced to the URANTIA papers has made a significant and very welcome change in my life, my ideals, and my goals. I am far happier with my life now and dream of my ascending career ahead of me. My fiance and I would like to be married by a minister of the URANTIA background as marriage has taken on a whole new glow for us since we have shared the papers.

Thank you for any assistance you can offer.

With best wishes,

Judith Overbey
