January, 1980

P R E S I D E N T ' S M E S S A G E

As I was reminded this morning, we are entering a new decade. As we look back over the recent era, it must seem to some that our movement has crawled along at a snail's pace. Some of us have encountered disappointments and frustration in our projects for the advancement of the revelation. At the same time, we have experienced the joys of fellowship with our brothers throughout Urantia. And at conferences and in study groups we have learned more of the teachings of Jesus.

We have a fresh, clean decade ahead of us. What we make of it is up to us. Let us listen to our Father through our Thought Adjusters, and be guided by his will. In this imperfect universe we may not succeed in spreading the truths of our revelation as fast and as far as we might hope.

But as soon as we begin with our own personal commitment, we can take the first "guided" step. As we begin to walk in the way Jesus showed us--loving and accepting love--we will progress toward unity and concord.

I challenge you to join me in total commitment to seek and do the Father's will. We can change Urantia. We can move toward light and life.

Enter the 80's with gladness!

Love, Lucile

*All humankind are one vast family
this world our home
We sleep beneath one roof
the starry sky
We warm ourselves before one hearth
the blazing sun
Upon one floor of soil we stand
and breathe one air
and drink one water
and walk the night
beneath one luminescent moon
The children of one God we are
and brothers of one blood
and members in one worldwide
Family of God*
