NEWSLETTER OF THE FIRST URANTIA SOCIETY OF LOS ANGELES      JUNE, 1980

## P R E S I D E N T ' S   M E S S A G E

Many of FUSLA's members and friends have expressed a need to be about our Father's business. While all of us can try to live Jesus' teachings and can be loving brothers and sisters, the urge to additional cooperative service is strong within most URANTIA Book readers.

The opportunity is at hand! Those who attend FUSLA's June meeting will enjoy a real treat...another fabulous multi-media production by our fellow readers from the Bay Area...with service activities and opportunities for service as the underlying theme. From this, we should be able to obtain ideas for a local service project.

Many of us know and love the members of the San Francisco Bay Area URANTIA Society. Those who want a chance to get better acquainted with these unusually talented and dedicated people are invited to the Saturday meeting pot luck dinner in our home, June 7. Seven new members will be inducted into FUSLA, and we will share fellowship, food, fun and worship.

Then, Sunday the 8th, we will explore ways to serve the URANTIA movement, and our worldwide brotherhood of children of the loving God. Check this issue of the Monitor for the complete schedule of activities and let's enjoy the exciting weekend that awaits California readers of The URANTIA Book.
