MEMORIAL SERVICES for Christy

Our beloved Christy graduated from this world early Sunday morning, May 2, after a critical illness of several months. We presume there ensued a glorious celebration of arrival on Mension world number one.

Special Memorial Services have been arranged in Chicago on May 22. Anyone planning to attend should call Brotherhood offices for information.

We shall miss her, but the precious and loving memories will always remain as a special fragrance, forever dear. It was a wonderful privilege to have such a friend.

The French translation

A great piece of news was the announcement by the URANTIA Foundation that the French translation is now available in a one-volume hard-back edition costing \$36.00 each plus \$1.55 for postage. If bought in a group of five there is a 20% discount.

Study Group information needed

We would enjoy hearing from you with news of what is happening in your study group. We plan to send out further newsletters from time to time to keep us in touch with each other. We'd like to do some visiting, too. Especially needed is times and places of study group meetings and names and addresses of contact persons. Phone numbers would be helpful also. We would like to publish this information, but if you prefer not to be publicly listed we will keep such information confidential. Let us know if you wish only a phone number listed so that inquirers can be screened before giving them an address.
