## FOURTH QUARTER 1977

This is the little fish with the long name as well as that of our newsletter. We are still fishers of souls, and our bait must be the fruits of the spirit. No matter how intellectually aware our understanding is, it will not be our words but our actions that will infiltrate the souls of our friends.

Your remarks and contributions of ideas, suggestions, brainstorm, etc. will be appreciated. Send to:

\*Salvation is the free gift of God, but those who are born of the spirit will immediately begin to show forth the fruits of the spirit in loving service to their fellow creatures. And the fruits of the divine spirit which are yielded in the lives of spirit-born and God-knowing mortals are: loving service, unselfish devotion, courageous loyalty, sincere fairness, enlightened honesty, undying hope, confiding trust, merciful ministry, unfailing goodness, forgiving tolerance, and enduring peace. - Happiness is not a reward - it is a consequence. Suffering is not a punishment - it is a result.

### AMAZING GRACE

Amazing grace! How sweet the sound  
That saved a soul like me!  
I once was lost, but now am found,  
Was blind, but now I see.

T'was grace that taught my heart love's need  
And grace my needs did fill  
How precious is that first sown seed  
To seek the Father's will.

Through many dangers, toils and snares,  
I have already come,  
'Tis grace hath bro't me safe thus far,  
And grace will lead me home.

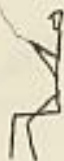

When we've been there ten thousand years,  
Bright shining as the sun,  
We've no less days to sing God's praise  
Than when we first begun.

### OVERHEARD at Convention:

If you don't know  
where you are going,  
you may end up  
somewhere else.

There are three  
answers to prayer:  
Yes, No, and Later.

sincere fairness

gundying hope

enduring peace

forgiving tolerance

Do you know where you are going? Are you going home? Can you feel the yearning in your heart to go back home? I think most of us have made the decision to go where our divine fragment is leading us, to where he is so gently piloting us. While we are listening to Him, there will be no other choice but to make this world a little better, to bring it just one more step closer to the era of light and life. The more closely we listen to the guidance of our most adorable friend, the better a foundation we will lay for future generations, so that they will more clearly usher in the "golden age". Let's not wait any longer, let's begin now, and let us forever be grateful to those who have made it possible, in particular Joshua ben Joseph, Jesus of Nazareth, Michael of Nebadon, our local universe Creator Son. We couldn't ask for a nicer friend.
