

HUMUHUMUNUKUNUKUAPUAA

THIRD QUARTER 1978

This is the little fish with the long name HUMUHUMUNUKUNUKUAPUAA, our symbol of the fish. Fishers of souls have as their bait the fruits of the spirit, for no matter how intellectually brilliant we may be, in the final analysis it will not be our words but our loving actions which will infiltrate the souls of our friends.

YOU ARE INVITED TO PARTICIPATE with your remarks, news, ideas, or whatever you value enough to want to share it.

*Salvation is the free gift of God, but those who are born of the spirit will immediately begin to show forth the fruits of the spirit in loving service to their fellow creatures. And the fruits of the divine spirit which are yielded in the lives of spirit-born and God-knowing mortals are: loving service, unselfish devotion, courageous loyalty, sincere fairness, enlightened honesty, undying hope, confiding trust, merciful ministry, unfailing goodness, forgiving tolerance, and enduring peace. Oh, the comfort — the inexpressible comfort of
feeling safe with a person,
Having neither to weight thoughts,
Nor measure words — but pouring them
All right out — just as they are —
Chaff and grain together —
Certain that a faithful hand will
Take and sift them —
Keep what is worth keeping —
And with the breath of kindness
Blow the rest away.

Dinah Maria Mulock Craik

Remember me, I am
your friend ... Don't feel
that you must
hide... You do me
wrong to think your
burden's... one I'd
leave behind... Give me
but the half of it... I'll
carry it alone... Give
me but a quarter... I'll
treat it as my own... If
you would give it all to
me... I'd take it
willingly... How often I
recall when you... have
done the same for me.

STOLEN QUOTES:

- Our worth is determined by the good deeds we do rather than by the fine emotions we feel.
- God has provided us with a lifetime of moments. We must provide the filling.
- Experience is not what happens to a man. It is what a man does with what happens to him. -- Aldous Huxley

This is an excerpt of a friend's letter
who lived in Greece for a while
and whose husband just was
transferred:

The future is looking better and
brighter. There certainly should be
some Urantians in Michigan! Do
realize that there is a great future
for all Urantians if we just reach
out for it. I received some
Urantia publications recently and
what an spiritual uplift and joy
it was to read them.

God
The Self

You can't explain it
You can sense its existence
Through the refined state
Of your senses
But you can't explain it.
To know it
You have to experience it
And the best you can say about it
Is that it is the depth
Of your Being
The very core of you.
It is you.

WEEKEND ON HAWAII ISLAND September 23 and 24, 1978

There will be a gathering at the state park on the Mauna Kea saddle road on the Big Island on September 23 and 24. There will be talks during the day and a slide show at night. The cost will be \$20-25, depending on the sleeping setup, and \$15 for registration. This \$35 or \$40 will cover expenses, park rental, cabin fee and two dinners.

The picture of a weekend such as this shows Peter and Marion Lindeman (standing, extreme left). Marion is the one who puts in the yeoman labor which goes into organizing an event like this. Please make your reservations with her:

FATHER, FREELY WE CONTINUE TO RECEIVE YOUR LOVE AND SPIRITUAL INSIGHT AND IT IS OUR DESIRE TO FREELY SHARE IT WITH OUR BROTHERS AND SISTERS IN ACCORDANCE WITH YOUR WILL. --- JJ

FRIENDSHIP WITH EACH OTHER

FRIENDSHIP WITH EACH OTHER = FRIENDSHIP WITH GOD, who values His friendship with us, His creation, above anything else with a love which is second to nothing. NOTHING. How, then, can any mental concept or physical activity which slams a wedge between human friendship possibly be a tool of God? Setting ourselves up as experts and then judging the rest of the world according to our standards is just as selfish as manipulating the pleasure centers of our brain and calling it God's spirit. It is selfish because it builds up the ego at someone else's grief and unhappiness.

Blissy shortcuts to the paradise of the animal self may be immensely satisfying to people who are totally into themselves and their own feelings, while they seem to destroy the more subtle considerations of politeness and caring which are the seeds and nourishment of human friendship. Friendship with God/others is the ultimate awareness of the true reality of love, an awareness everybody can experience and this experience is one evidence of His grandeur, mirroring an affectionate and gentle friendship to the family, circles of friends, society and the world and thereby causing the creation of peace and love filled with compassionate devotion to that which is superbly beautiful in appeal, comforting in truth and eternally good in ideal.
