"...at noon, August 21, 7 B.C., with the help and kind ministrations of women fellow travelers, Mary was delivered of a male child. Jeeus of Nazareth was born into the world, was wrapped in the clothes which Mary had brought along for such a possible contingency, and laid in a near-by manger." UB 1351:5

"When the worlds have become ripe for spiritualization, the bestowal son arrives. These Sons always belong to the magisterial or Avonal order except in that case, once in each local universe, when the Creator son prepares for his terminal bestowal on some evolutionary world, as occurred when Michael of Nebadon appeared on Urantia to bestow himself upon your mortal races. Only one world in near ten million can enjoy such a gift; all other worlds are spiritually advanced by the bestowal of a Paradise Son of the Avonal order." US 596.8/596:1

"The Urantia peoples are suffering the consequences of a double deprivation of help in this task of progressive planetary spiritual attainment. The Calignatia upheaval precipitated world-wide confusion ... But even more disastrous was the Adamic default..."

"Notwithstanding this double disaster to man's nature and his environment, present-day mortals would experience less of this apparent warfare between the flesh and the spirit if they would enter the spirit kingdom,... ...Jesus showed mankind the new way of moral fiving where by human beings may very largely escape the dire consequences of the Call-gastic rebellion and most effectively compensate for the deprivations requiring from the Adamic default. The spirit of the life of Christ Jesus has made us free from the law of animal string and the temptations of evil and sin."

HOW FORTUNATE INDEED

Presented by: Gard Jameson Do you realize that there are 10,000,000 inhabited or inhabitable worlds in our local universe that is so lovingly administered by our Creator Son, Michael of Nebadon and the Universe Mother Spirit?

Do you realize that there are 10,000 systems in our local universe?

HE chose our little planet on the outskirts of a mighty spiral nebula to incarnate!

HE chose to be born into a planet ripped by rebellion!

HE chose to live amongst a barbaric people that sacrificed live animals to appease their vengeful concept of God!

HE chose to befriend a group of rugged mortals amidst the valleys, lakes and farmlands of a war-torn nation!

HE chose to live a life dedicated to the expression of truth, beauty and goodness! HE chose to die the death of a vilified convict!

HE chose to reveal a life of eternal opportunity and adventure!

HE chose to be our friend and companion forever!

PRINCIPLES WRICH SHOULD GUIDE THOSE WHO PREACH TRUTH

Presented by: Chuck Fallon During several occasions each year I enjoy rediscovering the URANTIA BOOK and read what Jesus did and said on this date 1989 years ago.

On this special day, my Father and Brother's birthday, I focused on a discussion Jesus had with his apostles concerning the principles which should guide those who preach truth, and which should activate all who teach the gospel of the kingdom. Jesus taught:

"Always respect the personality of people. Never should a righteous cause be promoted by force; spiritual victories can be won only by spiritual power. This injunction against the employment of material influences refers to psychic force as well as to physical force. Overpowering arguments and mental superiority are not to be employed to coerce men and women into the kingdom....Make your appeals directly to the divine spirit that dwells within the minds of men..."

"In bringing men into the kingdom, do not lessen or destroy their self-respect.

While overmuch self-respect may destroy proper humility and end in pride, concei and arrogance, the loss of self-respect often ends in paralysis of the will..."

"The world is filled with hungry souls who famish in the very presence of the bread of life; men die searching for the very God who lives within them..."

"In preaching the gospel of the kingdo you are simply teaching friendship with God. And this fellowship will appeal alike to both men and women..."
