INTRODUCTION

The Trustees of URANTIA Foundation gratefully acknowledge the co-operation of URANTIA Brotherhood in making this Key Word Index available to students of *The URANTIA Book*. It is our hope that the efforts of all those involved in creating and publishing this work will enhance the study and dissemination of the teachings of the Fifth Epochal Revelation.

How to Use the Key Word Index

There are two tables of contents in *The URANTIA Book*. This Key Word Index is taken entirely from the second one, entitled "Contents of the Book" and found on pages xii through lxvi. It consists merely in an alphabetical sorting of the significant words of each listing in that section.

The first entry under Z is "Zaccheus, The Visit to, 1873." This tells you that the section entitled "The Visit to Zaccheus" is found on page 1873.

Please note that the alphabetization convention used in this index sorts apostrophes, commas, and hyphens after letters. Thus, the following alphabetization obtains:

Adjuster to time, Insensitivity of
Adjuster's Mission, The
Adjuster, Co-operation with the
Adjuster-fusion series
Adjusters after Death.

We hope that this Key Word Index helps you in your study of the incomparable teachings of *The URANTIA Book*.
