

Sept. 8, 1965

Marian:

A copy of these should be somewhere in the Brotherhood files. If you can't find them, make a new folder and retain these. *Found originals. Return these. 2/28*

We have given authority to Orvonton (May 1961) to use the symbol. I called Carolyn today and told her so.

We have also given authority to First of Chicago as of April, 1959. Don't know about the others as there is no correspondence in the Foundation folder in regard thereto.
