To: URANTIA Societies

On behalf of the Executive Committee, and acting for URANTIA Brotherhood as a whole, I have recently signed a Confirmatory Agreement with URANTIA Foundation. The subject of the Agreement is the use of the word URANTIA and the Concentric Circles Symbol.

The Confirmatory Agreement commits to writing what has been the policy and practice of URANTIA Brotherhood since its founding in 1955. It acknowledges that the primary responsibility for controlling the use of the trademarks and service marks URANTIA and the Concentric Circles Symbol rests with URANTIA Foundation.

The Agreement ensures that the Foundation retains its authority to control and supervise the use of these marks. More importantly, this Agreement ensures that the marks will retain their special meaning and significance as standing for the latest major revelation of Truth to this planet and for those organizations dedicated to its permanent preservation and wise dissemination.

Because of the semi-autonomous nature of URANTIA Societies, I have asked the Foundation to send separate Confirmatory Agreements to each URANTIA Society for individual endorsements. The Foundation has prepared these Agreements and will mail them within the coming week.

I ask that you sign the Confirmatory Agreement for your Society and return it to the Foundation. I believe you will share my conviction that this action is in the best long-range interests of the URANTIA Movement.

Warmest regards.

Paul Snider, President
URANTIA Brotherhood
