URANTIA FOUNDATION
INTRA-OFFICE MEMORANDUM

FROM Mark Kulieke
TO URANTIA Brotherhood Corporation

DATE March 24, 1976
SUBJECT General Information Concerning
Licensee Shipments

From time to time, you will receive orders from within the United States, as well as from various foreign countries for materials offered by URANTIA Brotherhood Corporation, not as Agent of URANTIA Foundation, but in its own behalf.

In that event, the LICENSEE mailing label should be used; however, because special language other than the licensing language may have to be used in the situation of foreign countries where URANTIA Foundation has achieved registrations, please check with me if we have not yet issued any written instructions.

Such items which URANTIA Brotherhood Corporation would be mailing, using the registered marks as LICENSEE, would include:

Concordex of The URANTIA Book

Present stock of Dr. Sadler's Textbooks

There may be other items which will need to be added to the list as time goes by. As these come up, please check with me, even though they may likely belong in the Licensee category.
