URANTIA FOUNDATION
INTRA-OFFICE MEMORANDUM

FROM URANTIA Foundation

DATE June 14, 1978

TO URANTIA Brotherhood ✓

SUBJECT Collective Membership Marks

We have received word from our attorney, Lyman Emrich, that the United States collective membership registrations of our marks, URANTIA and the concentric-circles symbol, have been issued. Therefore, in any future printings of membership cards, certificates or awards, or like items where it was formerly necessary to place "M.M." adjacent to the marks, you may now print the regular registration notice, the R-in-a-circle in place of "M.M.". Please give us copies of any items printed in this new way for our records.
