Dear Mr. Levy:

This will acknowledge receipt of your letter of August 18 asking permission to use the name URANTIA in the name of your proposed corporation. I am sorry to tell you that this would not be possible as the name URANTIA is registered and trademarked by the Urantia Foundation, as are also the three concentric circles.

The enclosed sheet showing "Use of URANTIA Book Material, etc." will give you further information.

All of the information we have about origin of the Urantia Book is given in the book itself. The first reference is in the last paragraph on Page 1 of the Foreword. The back of the dust jacket contains a list of references to paragraphs in the book containing information.

I am also enclosing a sheet giving a resume of the Declaration of Trust Creating the Urantia Foundation which is self-explanatory.

Very truly yours,

(Miss) E. L. Christensen

Sir:

I have three questions:

1) A group of us are starting a corporation for the purpose of artistic productions. Is it permissible to use the name Urantia as the name of our corporation?

2) How were the Urantia papers found and how was their information communicated to us?

3) Can you give me any information about the kind of work the Urantia Foundation is doing?

Thank You.
