Dear Mr. Kantor:

Re: URANTIA Celebration of First URANTIA Society
of Los Angeles on April 4, 5 and 6, 1975

In order to facilitate the convenient preparation of your speech, and yet preserve the copyright in and to The URANTIA Book, our attorneys have advised the Trustees that they may, after taking appropriate action, give advance permission to you to use as yet unspecified quotes from The URANTIA Book in the preparation and presentation of your talk at the URANTIA Celebration of First URANTIA Society of Los Angeles on April 4, 5 and 6, 1975.

This will require, however, that you make a written request for such permission. In this way, the action of the Trustees as well as the circumstances under which their action is taken, will become a matter of record.

For your assistance, we have prepared a letter of request for you to submit to the Trustees--a copy of which is enclosed.

Please prepare this letter in duplicate and date and sign them and mail them to the Trustees, who will then act upon your request.

Please let us know if you have any questions.

Cordially,

Thomas A. Kendall
President

Gentlemen:

As you know, I have been invited to speak at the URANTIA Celebration of First URANTIA Society of Los Angeles to be held in the Los Angeles area on April 4, 5, and 6, 1975.

I should greatly appreciate receiving your permission--in case I decide to do so--to incorporate in my presentation to the gathering one or more quotations from The URANTIA Book.

I am aware of the importance of doing everything possible to protect the copyright in and to The URANTIA Book, and I know that the Trustees wish to be as scrupulous as possible toward that end.

Inasmuch as URANTIA Foundation has recognized URANTIA Brotherhood and its Societies--of which First URANTIA Society of Los Angeles is one--as the official social and fraternal organization charged with the responsibility of wisely disseminating the URANTIA teachings, and since the URANTIA Celebration is an activity designed to achieve that purpose, as a matter of convenience for all concerned I am requesting your advance permission for the use of as yet unspecified quotes from The URANTIA Book in my proposed speech.

If this special grant of permission is agreeable to you, please sign and return the enclosed duplicate of this letter.

Thank you for your assistance.

Very truly yours,

David Kantor
