Dear David:

Just a note to let you know that we received your March 3 letter and the script outline. The work appears to be well organized and thought out at this early date. It certainly seems that your coverage of this proposed material within 30 minutes should have real impact and hold the attention of the viewers.

We appreciate that you outlined a step-by-step approach to the consideration of all aspects involved with the presentation. The Trustees will meet soon to consider the content of your letter.

Meanwhile continue your work which we realize was prompted by the Education Committee for the 1978 URANTIA Brotherhood General Conference.

Cordially,

Thomas A. Kendall
President
