Dear David:

Thank you for your March 3 letter together with the script outline for the presentation, "How Jesus Taught", being prepared for the summer conference.

Judging from the outline, the work looks very comprehensive and should certainly hold everyone's attention for the entire 30 minutes.

The Trustees reviewed your letter and script outline at our recent meeting. For the present we encourage you to proceed with the development of this presentation. We will look forward to viewing it at the 1978 URANTIA Brotherhood General Conference. The decision regarding reprints for distribution can be deferred until after the performance in August.

The following oral notice should be recorded on the sound track at the very beginning of the program:

"Quotations from The URANTIA Book, copyright 1955 by URANTIA Foundation, all rights reserved, in the following presentation are used and this presentation is prepared by permission of the copyright owner, URANTIA Foundation. Opinions and our interpretations herein expressed are solely those of the author and are not necessarily those of URANTIA Foundation or URANTIA Brotherhood."

We assume that nothing written will be handed out during the presentation, so the above oral notice should suffice.

We wish you the greatest success as you prepare what looks to be an outstanding and instructive presentation.

Everyone at headquarters sends best wishes.

Cordially,

Thomas A. Kendall
President
