Re: Your letter of November 30

Dear Chick:

You should have already received our reply to your request to publish the "cartoon" entitled "The History of Urantia." Please forgive the delay of that reply. Our work load in recent months has been very heavy.

In response to your request regarding the use of quotes in Mr. John Andrews' "An Open Letter of Thanksgiving," we would ask that you send a more legible copy of the letter. Actually, we would prefer that you send a copy of the letter in the form you intend to publish it in the Agondonter. When we receive this copy, we will attempt to respond to your request as quickly as possible.

Finally, while we much appreciate your generous efforts to lessen our work load, we must decline to give you continuous permission to use the quotes you have compiled in your paper, "Superlatives in The URANTIA Book." The Board of Trustees prefers that you request permission to use the quotes on a per issue basis. We will, of course, attempt to give your requests as prompt attention as possible.

Our best to you and yours in this joyous holiday season.

Sincerely,

Thomas A. Kendall
President
