Dear Jim:

Thank you for your thought-provoking letter. We appreciate your forthrightness in sharing your questions and concerns about The URANTIA Book with us.

We have given your letter careful consideration and have concluded that the most effective way to provide a response which hopefully will be meaningful to you is to send a copy of your letter to Dr. Meredith J. Sprunger and ask him to answer it. Meredith is a retired professor of philosophy and psychology as well as a minister in the United Church of Christ. He, therefore, can pull together in a response to you a comprehensive background combined with a thorough knowledge and long time association with the teachings of The URANTIA Book. We feel sure his wisdom and insight will prove valuable in assisting you to resolve the questions and concerns you shared with us.

Thank you for writing. We look forward to hearing from you again if there is any other service we can offer.

In Fellowship,

Scott M. Forsythe
Senior Administrative Assistant
