Dear Jeff:

The Trustees of URANTIA Foundation are pleased to grant you permission to use the quotations and other material from The URANTIA Book which appear in your letter to 'The URANTIA Book Study Group of Austin, Inc.,' a copy of which was attached to your July 20, 1983 letter of permission request. As per your request, this grant of permission is limited to the reproduction and distribution of fifty (50) copies of this letter unless you apply for and receive an additional grant of permission. A review of the letter discloses that you affixed appropriate language on the first page of the letter indicating this grant of permission.

Thank you for your cooperation and support. Everyone here sends you our deep felt good wishes.

In Fellowship,

Scott M. Forsythe
Senior Administrative Assistant

SMF/mec

P.S. I have sent copies of your letter to the Trustees, Mike, John Hales and Carolyn. Thus far I have had the opportunity to read about half of the paper and find it excellent. I am sure it will be of considerable help in our dealings with the Austin group. I look forward to seeing the third evolution of this work when it reaches the position paper stage. By the way, let me know when and under whose signature this letter goes to Austin.

A handwritten signature in cursive script, appearing to read "Sent".
