Gentlemen:

As you know, I have been invited to participate in the 1975 URANTIA Brotherhood General Conference and/or School Workshop to be held in the Chicago area.

I should greatly appreciate receiving your permission - in case I decide to do so - to incorporate in my presentation to the meeting(s) one or more quotations from The URANTIA Book.

I am aware of the importance of doing everything possible to protect the copyright in and to The URANTIA Book, and I know that the Trustees wish to be as scrupulous as possible toward that end.

Inasmuch as URANTIA Foundation has recognized URANTIA Brotherhood as the official social and fraternal organization charged with the responsibility of wisely disseminating the URANTIA teachings, and since the 1975 URANTIA Brotherhood General Conference and Workshop are activities designed to achieve that purpose, as a matter of convenience for all concerned, I am requesting your advance permission for the use of as yet unspecified quotes from The URANTIA Book in my proposed presentation(s).

My request, of course, concerns only the immediate preparation and presentation of my talk and/or materials. Following the Conference, I know that full instructions, as required by law, will be given to me for properly preparing my speech and materials for publication, should that be contemplated by URANTIA Brotherhood and URANTIA Foundation.

If this special grant of permission is agreeable to you, please sign and return the enclosed duplicate of this letter.

Thank you for your assistance.

Very truly yours,

*David Kantor*
