

Dear Miss Christy -

CONFIDENTIAL

We need a caretaker for Sir Hubert Wilkins' farm in N.S. Penna. Later on we expect to create a Usonian Settlement but until we can move there in 3 years time - we need responsible people to live in a 10 rm farmhouse on a County road - and we need them now! Details later by letter.

A school bus runs by door.
There are 100 Acres - with a lake stocked with fish. Ideal for a writer or someone with independent means who wants to live in real country.

In haste - more later. With warmest regards
Marley Stevens Ross
